UPDATES on IMC19

We have had some very exciting updates to the IMC19 program, including the confirmation of our Invited Speakers, along with the news that Nobel Prize Winner, Professor Joachim Frank will be joining us for the IFSM Symposium. Furthermore, abstract submissions will be closing in two weeks, on 1 March 2018.

With this, we would very much appreciate your assistance with sharing these updates with your networks. May we ask that you please forward the following Electronic Direct Mail with your colleagues and friends – <http://bit.ly/2o82oqt>

If you require any further information or have any questions, please feel welcome to contact the IMC19 team.

Kind regards,

Nicola
